

Gibraltar Major Roads Map

L_{den}^1

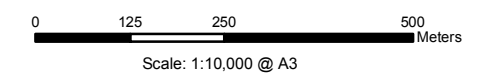

Key:

Noise Level (dB)

- > 65
- > 55

- Buildings & Walls
- Coastline

¹ The day-evening-night (Lden) is a noise rating indicator based upon an annual average 24 hour noise level (LAeq) with a 5 dB(A) penalty for evening noise (i.e. 19.00 - 23.00) and a 10 dB(A) penalty for night - time noise (23.00 - 07.00).
